President's Message

Happy 2019!

2018 was an eventful year for Mountain Artists Guild. We had changes, challenges, and many opportunities for growth. I am sure 2019 will present more of the same.

As your newly elected President, I am looking forward to facing the New Year with hope and excitement. MAG is blessed with a talented and hard working new Board: Vice President, Dawn Zintel, Secretary, Virginia Parker, Treasurer, Elizabeth Mahon and Directors at Large, Vera Bloch, Janis Keeling and Lois Fox. We also have a new Acting Executive Director, Pauline Gravier. MaryClare McCartin will continue to be our Office Coordinator. Our Members have been really stepping up and volunteering for the Gallery Committee and helping with 4th Fridays. In the coming year we will need even more of our Members' expertise to help us continue on our exciting path of supporting the Arts in our Community.

2019 will be Mountain Artists Guild's **70th Anniversary**. We are committed to letting the Public know about this important milestone. We will be having a ribbon cutting ceremony on Thursday, March 28th at 4pm in conjunction with the Prescott Chamber of Commerce and Cellar 433. Save the date! Also in March, we will be having a 28' display at the Prescott Library Viewerie. We are in contact with venues where MAG had shows in the early days in hopes of doing some collaborative exhibitions.

Festivals are our main source for fulfilling our Mission and we already have commitments for the May Festival. Yay! I also want to comment on our Gallery. The diversity and quality of art has grown immensely. Yay for that, too!

Continued on page 2

Continuing at MAG in 2019 are more free and low-cost classes on social media and introductory art programs for novices and beginners who have from none to a bit of drawing and painting experience. The Education Committee (formerly the Workshop Committee) has six painting workshops already scheduled beginning in January and they anticipate adding one to two more with well-known and accomplished art instructors. Check our website for more details.

I want to wish all of you a Happy New Year and thank you all for your support. As always, please feel free to contact me with any concerns, ideas and comments.

*Believe
in the
Magic*

The 2018 Holiday Gift Show will be showcasing original art and distinctive gifts from local artists. On display you'll find an array of locally produced, handmade items including unique jewelry, scarves, toys, ceramics and glass that will inspire and delight even the most discerning shopper.

Artists, now is the time to begin thinking about and creating your gift items for the new show! Gifts of all kinds are needed and do not need to be holiday themed. While all price points are welcome, the best selling prices are \$3 to \$75 dollars. The intake fee is only \$10 for an unlimited number of items. Commission split for this show is 90/10. We look forward to a wide variety of work and encourage creativity!

Intake forms will be available on the website by October 1st.

MAG Artist Profile - Dawn Zintel

Interview with **Dawn Zintel**, Vice-President of MAG and Workshop Committee Chairwoman

Dawn, you only joined MAG in the Fall of 2017. Why was that?

I moved to Prescott in mid-August of 2017 so I was looking at various art groups in the area. I liked the idea of a Guild having its own building with a Gallery for members' shows, as well as classrooms. I also was impressed that MAG had such a long history. I had served on the Boards of various art groups for many years and eventually Cat Rainey, our President, asked me to join the MAG Board as V.P.

Where did you live before Prescott?

I grew up in Quebec, Canada and moved to California in 1977. I met my husband, Frank Croft there and in 1995 we adopted our daughter, Caitlin, from China. In 2004, we moved to Gabriola, one of the Gulf Islands in British Columbia (north of the San Juan Islands in Washington state). We began coming to Gilbert, Arizona every winter beginning in 2014. Eventually, we tired of living in two homes and two countries and began looking for the perfect place to live. Prescott seemed to meet all the items on our checklist and the rest is history.

How did you get interested in art?

The school I attended in Quebec had an art program beginning in Sixth grade and extending all the way through high school. I continued to take some art classes in university with the idea of becoming an art teacher. I soon realized there wasn't much demand for art teachers and abandoned that idea. I taught in Elementary school for 6 years. Then I got a Master of Arts degree in Instructional Technology. Once I moved to California, I founded my own instructional design business for Fortune 100 companies, which I ran for 34 years. During that time, I learned to make hand-built pottery, stained glass art and eventually watercolor painting.

What are you most proud of now that you are a full-time artist?

Over the years I have been fortunate to be accepted into juried art shows in California and Arizona and to actually win some awards! It took me many years but I finally had a painting juried into a Federation of Canadian Artists (FCA) Show. That's kind of like Oil Painters of America in the US but covers all painting mediums. Being involved in the art community has been very rewarding. I love working at MAG - a very worthy not-for-profit business that is there to support its members with their artistic endeavors. News from the Gallery Committee

The gallery committee would like to thank all who participated in the Holiday show. It is wonderful! Please invite your friends and family to come and see the show. You are the best promoters of your own work.

We need your support on 4th Friday! There have been a number of times the artist would have been their own best salesperson. Sales have been good this year. Let's end with the best year ever.

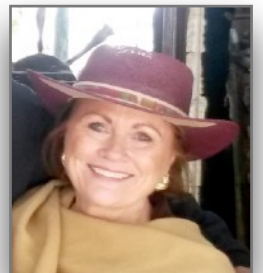

Don't forget... Holiday Gift Show pick up is on Dec 22nd. We will take the next two weeks sprucing up the gallery in anticipation of the shows next year. The first show is titled - **High County, Arizona**. Celebrating Arizona above 3000 feet. People, places and wildlife. We are looking forward to a exciting year.
